SUBJECT: OFFICIAL REQUEST FOR TOTAL ENROLLED STUDENT POPULATION BREAKDOWN (ICS, ITE, IBE) FOR CAPSTONE METHODOLOGY SAMPLING

Dear Sir / Madam:

Greetings of Peace!

We are undergraduate students from the **Institute of Computer Studies (ICS)** currently undertaking our final Capstone Research Project entitled "**Colegio de Montalban - Integrated Library Management System (CDM ILMS) with Mobile Book Preview and Reservation**" in partial fulfillment of the requirements for the degree of Bachelor of Science in Information Technology.

In connection with Chapter 3 (Methodology) of our study, we are conducting a software quality evaluation using **Stratified Purposive Sampling** based on the **ISO/IEC 25010 Software Product Quality Model**. To compute the exact statistical sample sizes and ensure fair, non-overlapping representation across all academic departments, we respectfully request your good office to provide us with the **official total enrolled student population figures** for the current academic semester broken down by Institute:

- **Institute of Computer Studies (ICS):** BS in Information Technology (BSIT) & BS in Computer Engineering (BSCPE)
- **Institute of Teacher Education (ITE):** BEED, BSED, BTLED, and BECED programs
- **Institute of Business and Entrepreneurship (IBE):** BS in Business Administration (BSBA) & BS in Entrepreneurship (BS ENTREP)

Please be assured that the requested figures will be utilized **strictly for academic research purposes and sampling computation only**. In full compliance with Republic Act No. 10173 (The Data Privacy Act of 2012), our team requires **aggregate numerical counts only** and does not require any individual student names, personal identifying information, or confidential student records.

We would be deeply grateful for your favorable approval and assistance. Thank you very much for your time, support, and continuous dedication to academic excellence.

Respectfully yours,

RON JAY DE GUZMAN
